WELCOME!

Dear parents and children,

Welcome to Godshill Griffins Pre-School

This prospectus will give you all the information you will need for the time your child is with us. If you have concerns or questions at any time please talk to us, we are always happy to help.

We are a small, local setting situated within Godshill Primary School, and form part of 'Stenbury Federation'. Stenbury Federation has formed since the emergence of three small village Schools:

- Godshill
- Chillerton & Rookley
- Wroxall

The aims and objectives of Godshill Griffins Pre-School are:

- To provide high quality care and education for children aged Two-Four years of age, through mature, highly experienced staff, who provide commitment and consistency for both you and your child.
- We aim to work very closely with Parents/carers as we not only understand the importance of parent partnerships, but we value your knowledge of your child, and recognise that you are formally your child's first educator.
- We value diversity and strive to provide equal opportunities to all our families, by creating an environment that nurtures stability, consistency

and a feeling of belonging, this helps to ensure that each individual is given the opportunity to reach their full potential.

- We acknowledge and respect every child's unique and special talents.
- We provide a rich, caring environment where your child's key person will plan exciting and challenging activities based around their individual interests and the topic of the term.
- Add to the life and well-being of the local community.

We are registered with Ofsted as a provider for 2-5year old children and are also a local authority run school enabling us to provide funding for two and three year olds. We are happy to report that we have recently (2017) been inspected by Ofsted who has stated that the standard of the early years provision has been assessed as 'Ofsted Good'.

Godshill Griffins Pre-School endeavours to ensure that your child develops and reaches their full potential and we record all observations and assessments of your child, using an online learning journal called 'Tapestry'.

Tapestry is a fun and interactive way for both you and your child to sit and look at, add comments, observations and wow moments or simply watch how your child is spending their day at pre-school. It works alongside the learning outcomes set out in the Early Years Statutory Framework, and is a fantastic way especially for parents who work long hours, to check in with what is going on, allowing you to be kept 'in the loop'.

Parents are regarded as members of our setting who have full participatory rights. These include a right to be:

- Valued and respected
- Kept informed
- Consulted
- Involved
- Included at all levels

We aim to ensure that each child:

- Is given generous care and attention, because of our ratio of qualified staff to children.
- Has the chance to join with other children and adults to live, play, work and learn together.
- Is helped to take forward his/her learning and development by being helped to build on what he/she already knows and can do.
- Has a personal key person who makes sure that each child makes satisfying progress, or is able to identify where a child may need additional support or help to achieve a learning goal.
- Is in a setting that sees parents as partners in helping each child to learn and develop.
- Is in a setting in which parents help to shape the service it offers.

<http://www.childrensfoodtrust.org.uk/pre-school/eat-better-start-better>

Sleep:

We have a quiet area for children who need a snooze or just want a little quiet time.

Nappy Changing facilities:

For children who are not yet ready to use the toilet, we change nappies. We ask that all parents provide nappies/wipes in a named bag, kept on your child's peg. When you feel that they are ready for potty training, let us know and we will happily support you in achieving this.

Nappy sacks will be provided by us.

Clothing:

We recommend that children wear 'play clothes' to preschool and not their best clothes. This is due to a range of activities available; we cannot guarantee that they will not get messy. We ask all parents to provide a change of clothes each session that they attend as we do not have a lot of spare clothes.

At the end of the day:

The doors will be opened by a member of staff every day at 2:50pm, where you will be invited in to collect your child.

If you need any more information that is not included within this pack, please ask a member of the Griffin Team 😊
