13th December 2018

Dear Parents and Carers,

Due to many parents being unable to attend the daytime session we would like to offer an alternative slot to discuss this at 5:30 on Tuesday after the play. The morning session will still go ahead.

We would like to invite you to a meeting to discuss the future arrangements for the children in Years Reception, One and Two. We are looking to move the Year One pupils into the Year Two class rather than the Reception class. This will create a class of 30 children in Year One and Two and will mean the children are being taught within the same key stage. Miss Hart will take this class as she is a very experienced Key Stage One teacher. This is in the best interest for the children to enable the Year One children to be able to excel and exceed in their learning within Key Stage One.

The meeting will be on Tuesday 18th December at 9:00am with Di Barker, Chair of Governors; Miss Hart and Mr Snow to share ideas and thoughts as to how this will work. If you cannot make this meeting and would like to discuss this further please make an appointment with either Mr Snow or Mrs Tombleson through the school office.

We acknowledge that some of you may not be able to make this meeting during the school day so we would like to invite you to an additional meeting which will be held at 5:30pm on Tuesday (after the Xmas play) .

Please rest assured that this decision is being made in the best interest of the children.

We look forward to seeing you.

Kind Regards

Mr Snow
