Adaptions and Refurbishment of school buildings

Dear Parents and Carers

I am really pleased to send to you a draft of the planned works to upgrade and improve the school buildings. The Department for Education have agreed to invest a significant amount of funding to modernise our school.

These plans are subject to changes as we are at the commissioning stage with contractors. We are hopeful that works will start at Easter. The plans have been developed with the local authority, the school and architects over the last few months.

The aim is to modernise and improve the access in and out of the school, modernise the layout, classroom environments and give the school and community a modern and flexible building. We hope you like the plans and we will give you further information as and when we get it.

Mr Snow
