## SCHOOL NEWS

Dear Parents/Carers,

I hope you all had a lovely weekend. This half-term has gone very quickly with just this week left until half-term we still have lots of learning to do.

We had another hard working week last week and the children have really been engaging in their learning. As well as Year 6 having a go at sailing this week, Shakespeare class have been learning about writing formal letters, making sure they have focused on the right word choices. Morpurgo Class have continued with their theme on magic and I have seen children from Walliams class making up and acting out their own stories based on the story 'The Day the Crayons Quit'. Donaldson class have been detectives this week, looking for evidence of who broke into their class and creating reports about this. Also, Rosen class met Baby Bear and have been asking him lots of questions about his journey to the moon in the story 'Whatever Next?'.  
**the story 'Whatever Next?'**

Can I remind parents that it is imperative that your children are in school on time as even being five minutes late means they are starting their day on a back foot and missing out on vital input for the learning in that lesson and potentially subsequent lessons through the day and week.

I would like to wish all the children that are representing the school this week in cross country and girls rugby good luck. I know you will do your best and enjoy every moment of it.

Letters will be coming home this week about booking appointments for parents evening meetings.

A reminder that the shoeboxes need to be in school by the 2nd November 2018.

**Don't forget you can follow us on Facebook, Twitter and the website.**

Wishing you a great week.

Mrs Tombleson

Whole school children's magazines. Many thanks :)

## Challenge - Achieve – Respect - Enjoy

### How we CARE!

In Reception the children have been working on focusing on an activity of their own choice and have worked really hard on this.

Key Stage One have been remaining focused on tasks for 5 minutes or more.

Key Stage Two have been trying hard to remain focused on their work when other behaviours and distractions are going on around them.

The children are rising well to the behaviour challenges. It is lovely to watch them grow.

Congratulations to Emily, Noah, Laanii, Katie C, Sapphire, Lucy and Skyler who have worked especially hard towards this.

**Well Done!**

### Weekly House Points
