SCHOOL NEWS

Dear Parents/Carers,

Census Day is next Thursday 4th October - **so we will be having a "Try a Dinner Day."** It will be our favorite meal Fish & Chips!

We have had a really busy week this week and the children have been working incredibly hard.

We have had our first collection of house points for assembly today and the children have loved this; especially doing a drum roll for the results. Congratulations to Green House for the most points this week. The children will be working hard next week to get their house point totals up.

I would like to say a big thank you to you all for your continued support with the building works. I have been informed that it is all running to schedule. Due to the limited space and having small children waiting also, I have asked the children to not play running or ball games before school. I would like to thank you in advance for your support with this.

There is an attendance letter coming home today. Please look out for it.

Have a super weekend and we look forward to seeing you all on Monday.

How we CARE!

Our focus this week has been respect.

In Reception we have been learning to put things back when we have finished with them.

KS1 the children have been working towards using kind words.

In KS2 the children have been working towards treating others as they would wish to be treated.

Congratulations to Freddie R, Evie, Chloe, Summer Rose, Leila, Brodie and Leah who have worked especially hard towards this.

Well Done!
