We will then email you back within minutes (during normal working hours) with your login code to access our online ordering system.

Once your order is placed and confirmed, you will receive an automated email. We will then call you to confirm everything and to take your payment by debit or credit card over the phone so that we can process your order and prepare it for delivery to you.

Deliveries will be between 8am - 1pm, Monday - Saturday.  
If demand is sufficient, we will extend this.

Please state what times someone will be at home to receive the delivery if you are not going to be at home all day.

Also, due to current advice, please appreciate that our delivery drivers will not be able to enter your home. They will however be able to deliver to your door step to keep a safe distance.
