24th March 2020

Dear Parents and Carers,

As you are aware, there were further restrictions put in place by the Government yesterday to minimise any spread of Covid-19. Their advice states:

"The government has given clear guidance on self isolation, staying at home and away from others, and asked that **schools only remain open for those children who absolutely need to attend**".

Whilst we don't want to stop you from having the support, if you are working from home or have alternative arrangements for your children, we strongly request that you do not send your children into school as we need to keep infection spread to a minimum and your children as safe as possible.

We truly appreciate that these are challenging times with so much being asked of us all and I would like to thank you in your understanding of the situation we are all facing.

Take care

Mrs Naomi Tombleson and Mrs Lisa Morgan-Huws
