Dear Parents and Carers,

RE: Important information about coming into School

I know it was a little busier than usual on Thursday morning with everyone keen to be on time for their first day. Today we had the children lining up in their classes ready to come in, which really helped with easing the congestion. We will be continuing with this on Monday.

To help with this further, I must ask that you **arrive at the correct time for your child's class** which will minimise the crossover of the class bubbles which we need to maintain. Also, upon collection of your child, please can you leave once you have collected your children to allow space for other children to be collected.
