Dear Parents and Carers,

Happy New Year

We find ourselves again in the midst of worries and concerns regarding the start of the school term. We are being directed by the Department for Education to open school for the start of term and we will, as ever, endeavour to ensure the school is as safe as we can make it.

I have to inform you though that we have a number of our school community (including myself) that are needing to self-isolate. This is adding considerable pressure for us in terms of staffing the school effectively. As things stand, we are safe to open but some classes will need to stay at home for now and will revert to online learning until staff levels improve. If further staff have to isolate this may lead to further changes in the school day and structure. We will inform you as soon as possible if we have to make any adaptations.

Classes that will need to remain at home tomorrow will be:

- Year 3-4 Class

Teachers will be providing work to your children if they are having to stay at home.

This is a really dynamic situation and things are changing by the minute. Thank you for your support and patience.

Mr Snow
