This Weeks News

Story club with Mrs Smith has been very well attended this half term. The children are allowed to bring their teddies and are treated to a hot chocolate to enjoy, whilst listening to the story. So far this term we have shared many stories that the children have brought in, ranging from “The Smeds and Smoos” to “I need a new bum”

Reception class would like to say thank you to frogs for raising funds to revamp the reception sheds. Also a massive thank you to Elijah's mum for spending a whole morning painting them! We are planning to put shelves in them and make them into learning areas for writing and numbers.

Back with a bang!

After a long time not playing any matches due to the unkind weather conditions, our Under 11 football team got back to their winning ways with a 5-2 victory this evening. Well done team!! ⚽

School Money.

School money is a cashless on-line school system that allows parents and carers the facility to pay for children's school meals, Breakfast/Afterschool clubs, Pre-School and contributions for school trips etc: We can also take debit card payments at the school office. Please ensure that payments are made to the account/school **weekly** to keep on top of the payments, as otherwise debts rise and results in us not being able to offer these facilities. We appreciate this is a financially challenging time of year for many, please come and see us if we can offer support, or signpost you to services for financial support.

Letters for any period of absence.

If your child has an occasional illness and is unfortunately absent from school, a letter or email must be sent into school to confirm the reason for absence on their return. A call to the school office on every day of the absence by 9:15am is essential, but unless there is written evidence sent into school to confirm the verbal reason for the absence, the absence will be unauthorised, however authorising attendance is at the discretion of the Head. This forms part of the schools monitoring system and Education Welfare monitoring of the attendance of children. Any planned period of absence other than illness must be requested via a Leave of Absence form which can be obtained via the school office. Thank you in advance for your cooperation. Our attendance policy is available on the schools website.

Medicines.

At this time of the year there are more medicines in school, this does help manage childhood illness and prevent absence from school. In order to ensure there is a smooth, safe system for medicines, all medicines are to be **dropped off and collected** from the school office please by an **adult**. No medicines are to be given or collected in the classroom via the class teacher or teaching assistant. Thank you for your understanding in this to keep everyone safeguarded.
