Newsletter 1 11th September 2020

**Dear Parents and Carers,**

## **Great Week**

Firstly, we would like to welcome the new Reception class to Godshill who have started with mornings this week. They look so grown up and have been having a brilliant time.

The rest of the school have had a great first full week back and have settled well with learning the rules, and routines of the day. Also becoming used to timetables with all the different subjects that they are learning. The children have been keen to learn and have been so happy catching up with friends, making new friendships, and really enjoying each other's company.

## **Head Children and House Captains**

The Year Six tradition has continued this week with the children campaigning for the role of House Captains as voted for by their peers. They have made their pitches and the votes are in. So we are pleased to announce the following roles:

Head Boy: Oscar

Head Girl: Leila

Deputy Head Boy: Jean

Deputy Head Girl: Molly

Red House Captain: Archie

Blue House Captain: Finley

Yellow House Captain: James T-G

Green House Captain: Amber

## **Thank You**

We would like to thank you for your ongoing support in helping the children to transition back to school so well, ensuring they have the correct things in school and following the guidance we have set.

This includes your support in sending the children to school in their PE kits on the correct days. This has worked really well. As a reminder, here are the days each class will need to wear their PE kit to school.

Reception	Year 1 and 2	Year 3 and 4	Year 4 and 5	Year 6
Wednesday	Tuesday	Wednesday	Monday	Wednesday
	Wednesday	Thursday	Wednesday	Friday

## **Drop of and Collection**

We understand that drop off and collection are busy periods and that the space at the front of the school is limited. We have tried to alleviate this with both the staggered start and finish times and different entrances but for this to work as effectively as possible, we do need these times to be adhered to please.

Further ways to help are to try and leave the gateways clear so that when children are sent out, they can reach their grown-up quickly. Also, once you have dropped off or collected your child, that you leave the area to allow for other children and families to access the space. We will endeavour to get the children to you as quickly and as safely as possible and we appreciate your help in making these new procedures work. Please remember, the need to socially distance and follow government guidance.
